North Creek Animal Hospital is a flea free facility, and in order to maintain this standard, flea treatment will be administered upon admission. It is the owners responsibility to provide North Creek Animal Hospital with proof of current vaccinations prior to boarding, or they will be administered upon admission.

The price for boarding is dependent on the number of pets we have boarding over a weekend. To be charged boarding prices, the minimum requirement is 3 pets in the facility. If the minimum requirement of pets is not met, your pet will be charged hospitalization prices for their stay over the weekend.

Required for admission:

Dogs- DA2PP, Bordetella, Rabies, Influenza, and Intestinal Parasite Exam

Cats- FVRCP and Rabies

Please state any concerns you have for your pet that you would like addressed while boarding.

Would you like us to: Treat after exam OR Call with findings and an Estimate

North Creek Animal Hospital is a fear free facility and will administer anti-anxiety medication as deemed necessary by the staff if your pet is experiencing more than average anxiety from boarding.
